Cloudburst in J&K kills...

A police official said that so far 75 injured people have been rescued and they have been shifted to a primary health centre at Atholi Paddar and to the district hospital Kishtwar

The place is the last point in the Paddar area, up to which vehicles move and from there onwards devotees trek around 10 kilometres to reach the Machail shrine.

Eyewitnesses said that hundreds of devotees had gathered and many were resting in their vehicles when the floods came. Many vehicles were washed away and some houses near the langar have also been damaged.

DC and SSP of Kishtwar immediately rushed to the spot to oversee the rescue operations. Chief Minister Omar Abdullah posted on X, "I just spoke to the Union Home Minister @AmitShah

to brief him about the developing situation in Kishtwar region of Jammu. The news is grim & accurate, verified information from the area hit by the cloud burst is slow in arriving. All possible resources are being mobilised from within & beyond J&K to manage the rescue operations. I'm not going to speak to channels or news agencies. The government will share information as & when possible."

Senior military officers...

air defence systems, which played a critical role during the May 7 to 10 hostilities between the two countries were among those conferred the coveted awards.

Vice Chief of the Air Staff Air Marshal Nardeshwar Tiwari, Deputy Chief of Air Staff Air Marshal Awadhesh Kumar Bharti, Indian Army's DGMOL Gen Rajiv Ghai and Northern Army Commander Lt Gen Pratik Sharma are among top military officers conferred Sarvottam Yudh Seva medal.

Air Marshal Nagesh Kapoor and Air Marshal Jeetendra Misra, heading the South Western Air Command and the Western Air Command respectively have also been conferred Sarvottam Yudh Seva medal.

He said, "Whenever the DGP came to me asking for an extension of Dial-100, I would get angry. I wanted a fresh start because we are pioneers in this field. But litigations and court cases kept coming in the way."

DGP Kailash Makwana said the Chief Minister had directed him to roll out the new Dial-112 system before Independence Day 2025, as he did not want to extend Dial-100 any further. He also created a team of home and hardware engineers for turning the Dial-112 dream into reality. Advanced emergency response at fingertips Dial-112 is equipped with a Location-Based System (LBS) linked to the state's Central Command and Control Centre in Bhopal. As soon as an emergency call is received, the caller's exact location is automatically detected, allowing the nearest GPS-enabled First Response Vehicle (FRV) to be dispatched immediately.

With rising citizen expectations and urban challenges, the state adopted the Emergency Response Support System (ERSS) model to merge multiple emergency services under one number.

A single call to 112 can now connect you to police, ambulance, fire, women's helpline, cybercrime support, railway assistance, road accident response, disaster management, women & child helpline and transport department panic button services, ensuring faster and more coordinated crisis management.

Everything has an impact," Trump said, noting that the tariffs "essentially took them out of buying oil from Russia."

He suggested the measures "probably" influenced Putin's decision. "When you lose your second-largest customer and you're likely to lose your largest, that probably plays a role," he added.

From fifth page

Modi's Dhar event put...

The state government is trying to organise an event during the Prime Minister's stay in Gwalior. So, the talks are being held with the Prime Minister's Office.

His Dhar programme was to be held after the Gwalior event, which was to continue till late in the evening. Thus, the event was postponed for security reasons.

Publish 65 lakh omitted...

Petitioners, including the ADR, had sought the publication of omitted voter lists with reasons—something the EC had resisted, citing no legal mandate. Justice Kant, however, said: "If you bring it into the public domain, the narrative disappears," stressing that disclosure would build "voter confidence."

The court's order goes beyond online publication. It mandates wide publicity in vernacular newspapers, television, radio, and social media, as well as physical copies at Block Development and Panchayat offices for those without internet access. The Chief Electoral Officer of Bihar must also host a complete list on its website.

HC asks govt to clarify...

Advocate Sujash Mohan Guru, representing petitioners, said, The High Court has asked the government to submit clarification on the base of the promotion policy chart, whether it is census-based or based on employee strength. The government has also asked for more time.

The next hearing will be on September 8. The promotion policy violates the order to end reservation in promotion.

CM gives free hand to...

Calling the new system "Aladdin ka Chirag," Yadav said the government had allocated a budget of Rs 1,500 crore for the launch of Dial-112, but the Home Department completed the work in Rs 1,372 crore, saving the state money.

He said, "Whenever the DGP came to me asking for an extension of Dial-100, I would get angry. I wanted a fresh start because we are pioneers in this field. But litigations and court cases kept coming in the way."

DGP Kailash Makwana said the Chief Minister had directed him to roll out the new Dial-112 system before Independence Day 2025, as he did not want to extend Dial-100 any further. He also created a team of home and hardware engineers for turning the Dial-112 dream into reality. Advanced emergency response at fingertips Dial-112 is equipped with a Location-Based System (LBS) linked to the state's Central Command and Control Centre in Bhopal. As soon as an emergency call is received, the caller's exact location is automatically detected, allowing the nearest GPS-enabled First Response Vehicle (FRV) to be dispatched immediately.

With rising citizen expectations and urban challenges, the state adopted the Emergency Response Support System (ERSS) model to merge multiple emergency services under one number.

A single call to 112 can now connect you to police, ambulance, fire, women's helpline, cybercrime support, railway assistance, road accident response, disaster management, women & child helpline and transport department panic button services, ensuring faster and more coordinated crisis management.

Everything has an impact," Trump said, noting that the tariffs "essentially took them out of buying oil from Russia."

He suggested the measures "probably" influenced Putin's decision. "When you lose your second-largest customer and you're likely to lose your largest, that probably plays a role," he added.

MONSOON MISERY | Besides Kishtwar, other districts in Jammu also reel under heavy rains

Nature unleashes its fury, again!

Agencies

JAMMU

A massive cloudburst struck a remote mountain village in Jammu and Kashmir's Kishtwar district on Thursday, killing at least 46 people including two CISF personnel, officials said.

ARMY JOINS RELIEF AND RESCUE OP

The Army has joined the relief and rescue operation at the cloudburst-hit Chisoti village in Jammu and Kashmir's Kishtwar district.

"In the aftermath of a cloudburst at the Chisoti village in Kishtwar, troops of the White Knight swoops mobilised for relief and rescue operations," a Jammu-based PRO said.

OMAR CANCELS 'HOME EVENT'

Jammu and Kashmir Chief Minister Omar Abdullah has cancelled 'At Home' tea party and cultural events during Independence Day celebrations on Friday following the loss of lives in a cloudburst in Kishtwar district.

RESCUE OPERATION IN

KISHTWAR

Locals carry an injured person after cloudburst wrecks havoc causing landslide in Kishtwar, Thursday

FULL SWING

A rescue and relief operation is in full swing at the cloudburst-hit Chisoti village in Jammu and Kashmir's Kishtwar district, Lieutenant Governor Manoj Sinha said.

He asserted that Home Minister Amit Shah has assured all possible assistance.

HEAVY RAINS BATTER UP; SCHOOLS SHUT, FLOODS HIT 11 DISTRICTS

Heavy rains have battered the state since Thursday, with 11 districts reporting significant rainfall. Schools have been shut, and flooding has been reported in several districts.

State Disaster Management Authority said rescue and relief work was underway in all flood-hit districts.

DASHBOARD

Thunder, lightning and torrential rains lash Punjab and Haryana.

Heavy rain soaked Delhi on Thursday, leaving vehicles stranded on waterlogged roads for hours. Several tree-falling incidents were reported across the city, one of which claimed a life in Kalkaji.

Heavy rains lashed Vijayawada, leaving several areas waterlogged, while a 51-year-old man died after accidentally falling into an underground drainage.

With heavy rain triggering a flood-like situation in parts of Telangana, the state government on Thursday released Rs 1 crore each to the districts for relief operations.

I would like to tell the Prime Minister to take the issue of global warming very seriously. This has become very common in hilly areas. So, I appeal to him to think in this hour of grief about how this can be remedied.

For this hour of grief about how this can be remedied.

Farooq Abdullah, National Conference President

I am deeply saddened to know about the loss of so many precious lives following a massive cloudburst that struck in the #Kishtwar District of Jammu and Kashmir. My thoughts and prayers are with the grieving families during this difficult time.

Naveen Patnaik, BJD president

NAME CHANGE NOTICE

Biswajeet Banerjee

LUCKNOW

Intermittent heavy showers over the past 24 hours have brought life to a standstill in parts of Uttar Pradesh, with the state capital and several other cities struggling under waterlogging and rising river levels.

The weather department has issued a heavy rain alert for 23 districts on Thursday, warning of more disruption ahead.

The latest spell adds to a month-long monsoon onslaught that has left 11 districts battling floods. According to official estimates, over 500 villages are already waterlogged. In several pockets, residents are wading through waist-deep water, with many forced to walk two kilometres or more just to fetch clean drinking water.

A senior official at the State Disaster Management Authority said rescue and relief work was underway in all flood-hit districts.

Cloudbursts, flash floods hit Himachal

8 bridges damaged, roads blocked

A view of the damaged structure following a flooding caused by a cloudburst in Tirthan Valley, Banjar subdivision of Kullu district, on Thursday

Three cloudbursts and flash floods, two landslides and one drowning incident were reported in Himachal Pradesh on Thursday, resulting in damage to eight bridges and 12 vehicles and blocking of multiple roads, including a national highway, the State Emergency Operation Centre said here.

The natural calamities were reported in Shimla, Sirmour, Lahaul-Spiti, Kullu, and Kinnaur districts. Fortunately, no human casualty was reported, though one person is missing, who is suspected to have drowned in the Parvati River in Kullu district.
