Requisite declarations have been received from Director/s for seeking re-appointment/ retire by rotation.
- 10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Further, as per SEBI Circular dated April 20, 2018 all securities holders holding securities in physical form should submit their PAN and Bank account details to the RTA.
  - SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/97 dated 02nd July, 2025 has provided a special six-month window, from July 7, 2025, to January 6, 2026, for investors to re-lodge old physical share transfer deeds that were originally submitted before April 1, 2019, but were rejected, returned, or not processed due to deficiencies. This window allows investors to regularize their ownership of shares and avoid potential legal and financial risks associated with unverified physical share certificates. All re-lodged securities will be issued in dematerialized (demat) form.
- 11. Members who hold shares in dematerialized form and want to provide/change/correct the bank account details should send the same immediately to their concerned Depository Participant(s) and not to the Company. Members are also requested to give the MICR Code of their bank to their Depository Participant(s). The Company will not entertain any direct request from such Members for change of address, transposition of names, deletion of name of deceased joint holder and change in the bank account details. While making payment of Dividend, if any, the Registrar and Share Transfer Agent is obliged to use only the data provided by the Depositories, in case of such dematerialized shares.
- 12. Members who are holding shares in physical form are advised to submit particulars of their PAN details, email address, Mobile Number, bank account, viz. name and address of the branch of the bank, MICR code

of the branch, type of account and account number etc. to our Registrar and Share Transfer Agent in prescribed Form ISR-1 quoting their folio number and enclosing the self-attested supporting document and other forms pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2021/655 dated November 3, 2021 read with SEBI Circular No. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated March 16, 2023, SEBI Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/2023/181 dated November 17, 2023 and as amended by SEBI Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/2024/37 dated May 7, 2024.

- 13. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022 as amended from time to time, has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website compliance@simranfarms.com. and on the website of the Company's Registrar and Transfer Agents http://ankitonline.com. It may be noted that any service request can be processed only after the folio is KYC Compliant.
- 14. SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.
  - Further, SEBI vide its circular dated 16th March, 2023 in supersession of earlier circular dated 3rd November, 2021, read with clarification dated 14th December, 2021 introduced common and simplified norms for processing investor's service request by Registrar and Transfer Agent(s) (RTAs) and norms for furnishing PAN, KYC details and Nomination. Accordingly, the RTA cannot process any service requests or complaints received from the holder(s) / claimant(s), till PAN, KYC and Nomination documents / details are updated. The Company has sent individual letters to all the Members holding shares of the Company in physical form for furnishing the aforesaid details. This communication was also intimated to the Stock Exchange and available on the website of the Company. In view of this requirement and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are once again requested to update their KYC details (through Form ISR-1, Form ISR-2 and Form ISR-3, as applicable) and consider converting their holdings to dematerialized form. Members can download Forms to make their service request with RTA from link http://www.simranfarms.com/kyc.html or contact the Company's Registrar and Transfer Agent for assistance in this regard.
- 15. As per the provisions of Section 72 of the Act, the facility for making a nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nominations are requested to register the same by submitting Form No. SH-13. If a Member desires to cancel the earlier nomination and record a fresh nomination, he may submit the same in Form SH-14. Members who are either not desiring to register Nomination or would want to opt out, are requested to fill and submit Form No. ISR-3. The said forms can be downloaded from the RTA website at http://ankitonline.com. Members are requested to submit the said form to their DP in case the shares are held in electronic form and to the RTA in case the shares are held in physical form, quoting their folio no.
- 16. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form only.
- 17. SEBI vide Circular no. SEBI/HO/OIAE/ OIAE\_IAD-1/P/CIR/2023/131 dated 31st July 2023 (updated as on

IEPF: Under the Act, dividends that are unclaimed/unpaid for a period of seven years are required to be transferred to the Investor Education and Protection Fund ("IEPF") administered by the Central Government. Shareholders are note that, pursuant to the provisions of Section 124 of the Act read with IEPF Rules, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the MCA.

Company has already been transferred unpaid/unclaimed dividend pertaining to the year 2010-11 and 2011-12 and corresponding shares thereon to the IEPF Authority in the financial year 2018-19 and 2019-20 respectively. Further there are no remaining unpaid/unclaimed dividend and shares pending which are due for transfer to the IEPF Authority.

The Members/claimants whose shares or unclaimed dividends get transferred to IEPF may claim the shares or apply for refund from the IEPF Authority by following the refund procedure as detailed on the website of IEPF Authority at www.iepf.gov.in.

- 33. The instructions for shareholders for remote e-voting and e-voting during AGM and joining meeting through VC/OAVM are as under:
  - Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
  - Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
  - (i) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairperson of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
  - (ii) The voting period begins on Monday 22nd September, 2025 from 9.00 A.M. and ends on Wednesday 24th September, 2025 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Thursday 18th September, 2025, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
  - (iii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iv) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

As per Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('SEBI Listing Regulations'), as amended vide SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective from April 1, 2022, states that all Material Related Party Transaction ('RPT') with an aggregate value exceeding 1,000 crores or 10% of annual consolidated turnover of the Company

as per the last audited financial statements of the Company, whichever is lower, shall require approval of shareholders by means of an ordinary resolution. The said limits are applicable even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis.

Further SEBI, vide its circular SEBI/HO/CFD/CMD1/CIR/P/2022/40 dated 30th March, 2022, has clarified that a Related Party Transaction approved by the Audit Committee prior to 1st April, 2022, which continues beyond such date and if it becomes material as per revised materiality threshold provided above, shall be placed before the shareholders in the General Meeting.

It is in the above context that Item No. 4 of Notice is placed for the approval of the Shareholders of the Company.

#### BACKGROUND, DETAILS AND BENEFITS OF THE TRANSACTION

Simran Agritech Private Limited (SAPL) and Simran Farms Limited (SFL) is related party due to common directorship of Mr. Gurmeet Singh Bhatia, Whole Time Director of the Company who is also director in SAPL; therefore, it is a related party of the SFL. SFL required poultry feed ingredients for the purpose of poultry business at large level and SAPL having a new automatic manufacturing and processing plant of Soya DOC and poultry feed. SFL purchase poultry feed from SAPL which is fine and best quality as compared to the market and having excellent protein ratio for better bird quality and increase the strength of the bird. Further manufacturing plant is nearby by the poultry farms which save the transportation cost. On account of established relationship between the Company and SAPL has resulted in operational convenience and cost optimization besides assurance of product quality and yield to the satisfaction of SFL. Considering the prevailing market trend, these transactions are expected to continue in the future.

| III.   | Other information:   |  |  |
| 1      | Reasons of loss or inadequate profits  | In FY 2024–25, the Company could not achieve the expected level of profits mainly due to higher costs and market challenges. The price of poultry feed, which is the biggest expense, went up sharply and increased overall production costs. At the same time, the selling prices of chicken and eggs were unstable and often remained low, which reduced margins. Unfavorable weather conditions and occasional disease issues also affected bird health and productivity. Together, these factors resulted in lower or inadequate profits for the year. |  |
| 2      | Steps taken or proposed to be taken for improvement  | During the year under review, the Company has initiated various effective steps to improve its operational performance/liquidity, including cost control measures have been put in place which would result in better profitability in the ensuing years.  |  |

| 3 | Expected increase in productivity and profits in measurable terms | The Company expects a steady increase in productivity and profits in the coming year, supported by higher demand and efficient farm management practices. Broiler production is anticipated to grow driven by improved feed conversion ratios and better disease management. With |
|---|---|---|
|   |   | stable market prices and rising consumption, the Company's revenues are expected to grow by 8–10%, leading to an estimated 10–12% increase in net profits compared to the previous financial year.  |

The information and disclosures of the remuneration package of all directors have been mentioned in the Annual Report in the Corporate Governance Report section under the heading "Remuneration paid to Directors under Nomination and Remuneration Section".

Accordingly, the Board recommends the Special Resolution set out at Item No. 5 of the Notice for approval of the Members.

Save and except Mr. Kawaljeet Singh Bhatia and his relatives to the extent of their shareholding interest, if any, in the Company, none of the other Directors, Key Managerial Personnel ("KMP") of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 5 of the Notice.

#### 1.2 OPERATIONAL AND STATE OF AFFAIRS OF THE COMPANY

The Company is engaged in the business of integrated poultry and poultry farming. The company is mainly focused on integration and consolidation of poultry activities and has arranged large manufacturing set-up

for production of poultry feed for self-consumption. Company is an integrated company with expertise across the poultry value chain and its management has vast experience in the poultry industry.

The Company's performance during Financial Year 2024-25 on a standalone and consolidated basis were as follows –

#### A. On Standalone basis

During the year ended March 31, 2025, the Company has achieved total income of INR 83624.22 Lakhs as against INR 48868.75 Lakhs in the previous year. Further, the Company earned a net profit (Before Comprehensive Income) of INR 579.50 Lakhs as compared to INR 31.12 Lakhs in last year. The significant increase in profits can be attributed primarily to the heightened demand for poultry products, improved price realization for broilers, and enhanced operational efficiency. Furthermore, a reduced incidence of disease, better feed conversion ratios, and effective cost management initiatives also played a vital role in boosting productivity and margins, resulting in a robust overall performance for the year. This growth reflects not only higher sales and better price realization but also improved operational performance through efficient farm management, enhanced productivity, and better cost control. The consistent efforts of the management in strengthening processes, optimizing resources, and focusing on quality and efficiency played a key role in achieving these results.

#### B. On Consolidated basis

During the year under review, total income on consolidated basis was same as Standalone basis i.e. INR 83624.22 Lakhs in comparison to INR 48868.75 Lakhs in previous year. Further, the Company's earned a profit (Before Comprehensive Income) of INR 589.62 Lakhs against profit of INR 39.94 Lakhs in previous year.

#### 2. ANNUAL RETURN

Pursuant to Section 134(3)(a) of the Companies Act, 2013, the requirement to place copy of Annual Return for the financial year 2024-25 prepared in accordance with Section 92(3) of the Companies Act, 2013 is made available on the website of your Company and can be assessed using the web link i.e. http://simranfarms.com/pdf/notices/form mgt 7 simran 202425.pdf

#### 3. SHARE CAPITAL

| Number of permanent employees on the rolls of the company | 876                   |  |

(V) Average percentile increases already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration

Average percentile in the salaries of employees other than the managerial personnel in the last financial year is slightly decreased by 3.86%.

Furthermore, it is important to mention that there has been 100% increase in managerial remuneration during the year under review. Taking into consideration the size of the company, industry benchmarks, the profiles and positions of the individuals, their responsibilities, and their involvement with the Company, the proposed remuneration is deemed to be reasonable. In comparable businesses of similar size and positioning, industry standards generally offer remuneration ranging from INR 5,00,000/- to INR 15,00,000/- per month for such roles. As a result, the enhancement in managerial remuneration is justifiable.

(VI) Affirmation that the remuneration is as per the remuneration policy of the Company:

The Board affirms that the remuneration is as per remuneration policy of the Company.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

## (a) Industry structure and developments

The Indian poultry industry is one of the fastest-growing segments of the agricultural sector, driven by rising demand for protein-rich diets, changing consumer preferences, urbanization, and increased health awareness. Poultry meat, particularly broiler chicken, remains the most affordable source of animal protein. India is among one of the top global producers of eggs and broiler meat. During FY 2024–25, the sector witnessed steady growth despite challenges such as fluctuations in feed costs (maize and soybean meal), disease management risks, and volatile market prices. Integration of technology, better breeding practices, and bio security measures have helped strengthen productivity and resilience within the industry. Government initiatives for rural poultry, cold chain infrastructure, and the growing acceptance of contract farming models have further contributed to the sector's stability.

The Indian poultry industry is projected to achieve 8-10% revenue growth in FY 2025-26, driven by strong demand from urbanisation, rising incomes, and a growing preference for protein-rich foods. While profitability is expected to narrow due to rising feed costs for maize and soy, the sector's overall financial health is expected to remain stable, supported by strong consumer demand and stable credit profiles.

## (b) Opportunities and Threats

The Indian poultry market has witnessed significant growth in recent years, fueled by various opportunities such as the rising demand for affordable protein sources among urban and rural consumers, the increasing penetration of organized retail, quick service restaurants (QSRs), and e-commerce platforms, which have collectively driven higher broiler consumption. Additionally, there is a growing demand for value-added products, including ready-to-cook and ready-to-eat chicken, alongside advancements in breeding techniques, feed management, and the development of disease-resistant strains. However, despite this thriving environment, the Indian poultry industry faces several formidable challenges that hinder its growth and sustainability. These challenges include volatility in raw material prices (such as maize and soybean meal), which significantly impact profit margins; the ongoing risk of disease outbreaks, the effects of climate change and high temperatures on mortality and production costs; and competition from alternative protein sources, including plant-based and meat substitutes.

## (c) Segment-wise or product-wise performance

The Company performs in one segment only i.e. poultry and poultry farming. The Company also deals in one product only i.e. broilers. Hence no information is reportable under this head. Further, the financial performance of the Company is specified at Point No. (g) of this Management Discussion and Analysis Report.

## (d) Industry Outlook

At present, the poultry sector in India is encountering challenges such as disease outbreaks in certain regions and production losses related to it, which have temporarily increased prices while adversely affecting farmers' earnings in some areas. However, the industry continues to demonstrate significant resilience. Looking forward, the industry is projected to achieve substantial growth. Revenue is expected to rise by 8–10% in the forthcoming fiscal year, propelled by increased demand and higher product prices. Volume is also anticipated to grow by about 4–6%, as more individuals choose affordable, protein-rich poultry options. Additionally, the broader market is on a positive trajectory, with a projected compound growth rate of approximately 8.1% through at least 2034, as modernization, supply-chain improvements, and robust demand continue to drive the sector forward.

## (e) Risks and concerns

The poultry business in India faces several risks and concerns that can affect its growth. The biggest challenges are disease outbreaks like bird flu, which can lead to sudden drop in demand and heavy losses for farmers. Further, rising feed costs (mainly maize and soybean) also put pressure on profitability, since feed makes up more than 60% of production costs. In addition, extreme weather conditions such as heat waves can reduce bird health and productivity. Price fluctuations in chicken and eggs, lack of proper cold storage and transport facilities, and strict food safety regulations also add to the challenges. Together, these risks make the industry vulnerable to sudden ups and downs, even though demand remains strong in the long run. However, the Company consistently monitors these risks and has established mitigation strategies, including forward contracts for feed, vaccination programs, comprehensive insurance coverage, and a diversified product lineup.

# (f) Internal control systems and their adequacy

The Company has implemented robust internal control systems that are appropriate for its size and operations, aimed at safeguarding assets, ensuring accurate recording and reporting of transactions, and complying with relevant laws and regulations. Regular internal and statutory audits are performed to facilitate timely risk identification and corrective measures, while the Audit Committee periodically assesses the adequacy and effectiveness of these internal controls. Further The Audit Committee, consisting of professionally qualified Directors, engages with the external auditor, internal auditors, and management to address matters within its terms of reference. Both the Audit Committee and the Board believe that the Company has implemented robust Internal Financial Controls that are appropriate for the nature and scale of its business operations, operating effectively, and that no material weaknesses were identified during FY 2024-25.

# (g) Discussion on financial performance with respect to operational performance

The Standalone and Consolidated Financial Statements of the Company have been prepared in accordance with Ind AS as per the Companies (Indian Accounting Standards) Rules, 2015 and in compliance with the requirements of the Companies Act, 2013 and the Regulations issued by the Securities and Exchange Board of India (SEBI).

The highlights on Company's financial performance for the FY 2024-25 are as follows:

| Diluted (in INR)                             | 14.20             | 0.82              | 14.45                   | 1.01              |

During the year ended March 31, 2025, the Company has achieved total income of INR 83624.22 Lakhs as against INR 48868.75 Lakhs in the previous year. Further, the Company earned a net profit (Before Comprehensive Income) of INR 579.50 Lakhs as compared to INR 31.12 Lakhs in last year. The significant increase in profits can be attributed primarily to the heightened demand for poultry products, improved price realization for broilers, and enhanced operational efficiency. Furthermore, a reduced incidence of disease, better feed conversion ratios, and effective cost management initiatives also played a vital role in boosting productivity and margins, resulting in a robust overall performance for the year. This growth reflects not only higher sales and better price realization but also improved operational performance through efficient farm management, enhanced productivity, and better cost control. The consistent efforts of the management in strengthening processes, optimizing resources, and focusing on quality and efficiency played a key role in achieving these results.

# (h) Material developments in Human Resources/Industrial Relations front, including number of people employed

The Company acknowledges that human resources are a vital asset. To this end, regular training programs focused on farm management, bio security, feed efficiency, and technical skills were conducted. Throughout FY 2024–25, industrial relations remained cordial and positive. Further, as on 31st March, 2025 the Company had 876 employees on its payroll.

## (i) Details of significant changes in the key ratios

As per the amendment made under Schedule V to the Listing Regulations read with Regulation 34(3) of the Listing Regulations, details of key financial ratios and any changes in return on net worth of the Company are given below:

| Particulars  | 2024-25 | 2023-24 | Change<br>(in %) | Remark  |
|--|---------|---------|------------------|---|
| Debtors' turnover  | 55.28   | 42.09   | 31.34            | The ratio has been increased by more than 25% on account of increase in turnover as compared to previous year.  |
| Inventory turnover   | 7.48    | 6.29    | 18.99            | NA  |
| Interest coverage ratio  | 20.65   | 2.45    | 743.40           | The ratio is significantly increased by more than 25% due to money received against share warrants, increase in profit for the current year and repayment of borrowings as compared with the previous year. |
| Current ratio  | 1.10    | 1.04    | 5.60             | NA  |
| Debt-Equity ratio  | 0.01    | 0.03    | -61.15           | The ratio has been decreased by more than 25% due to money received against share warrants, increase in the profit and repayment of borrowings for the current year in comparison with the previous year    |
| Operating profit margin (%)  | 1.08    | 0.49    | 120.41           | It is mainly due to higher profitability from operations, driven by better cost management, improved efficiency and revenue growth. The low base of the previous year magnified the percentage increase.    |
| Net profit margin (%) or sector -specific equivalent ratio as applicable | 0.69    | 0.06    | 1050.00          | It is largely due to a sharp improvement in profitability combined with a very low base in the previous year.   |

# (j) Details of change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof

| Particulars             | 2024-25 | 2023 - 24 | Change (in %) |
|-------------------------|---------|-----------|---------------|
| Return on Net Worth (%) | 14.52   | 1.02      | 1323.53       |

Reason for change in Return on Net Worth: The return on net worth has seen a remarkable increase primarily attributed to a significant rise in profitability while maintaining a relatively stable equity base

## 4. Board Procedure

The Board of Directors of the Company plays a primary role in ensuring good governance and functioning of the Company. The Board meets at regular intervals to discuss and decide on Company's business policy and strategy apart from other normal business. The detailed Agenda, setting out the business to be transacted at the Meeting(s), supported by detailed notes and presentation, if any, is sent to each Director at least seven days before the date of the Board Meeting(s) and of the Committee Meeting(s) except where Meetings have been convened at a shorter notice to transact urgent businesses, to enable the Board/ Committees to discharge its responsibilities effectively and take informed decisions. Considerable time is spent by the Directors on discussions and deliberations at the Board / Committee Meetings.

The Board also, inter alia, periodically reviews strategy and business plans, annual operating and capital expenditure budget(s), investment and exposure limit(s), compliance report(s) of all laws applicable to your Company, as well as steps taken by your Company to rectify instances of non-compliances, review of major legal issues, minutes of the Committees of the Board, approval of quarterly/half-yearly/annual results, transactions pertaining to purchase/disposal of property(ies), major accounting provisions and write-offs, material default in financial obligations, if any and information on recruitment of Senior Officers just below the Board level etc.

The Board sets annual performance objectives, oversees the actions and results of the management, evaluates its own performance, performance of its Committees and individual Directors on an annual basis and monitors the effectiveness of the Company's governance practices for enhancing the stakeholders'

value.

The Company has well-established framework for the Meetings of the Board and its Committees which seeks to systematize the decision-making process at the Meetings in an informed and efficient manner.

# SEBI COMPLAINTS REDRESS SYSTEM (SCORES) AND ONLINE DISPUTE RESOLUTION (ODR)

The Securities and Exchange Board of India ("SEBI") administers a centralized web-based complaints redress system ("SCORES"). It enables investors to lodge and follow up complaints and track the status of redressal online on the website at www.scores.gov.in. It also enables the market intermediaries and listed companies to receive the complaints from investors against them, redress such complaints and report redressal of such complaints. All the activities starting from lodging of a complaint till its disposal are carried online in an automated environment and the status of every complaint can be viewed online at any time. The Company has registered itself on SCORES and endeavors to resolve all investor complaints received through SCORES.

SEBI vide Circular no. SEBI/HO/OIAE/OIAE\_IAD-1/P/CIR/2023/131 dated 31 July, 2023 (updated as on 4th August, 2023 vide Circular No. https://www.sebi.gov.in/legal/circulars/aug-2023/corrigendum-cum-

amendment-to-circular-dated-july-31-2023-on-online-resolution-of-disputes-in-the-indian-securities-market\_74976.html) has specified that a shareholder shall first take up his/her/their grievance with the listed entity by lodging a complaint directly with the concerned listed entity and if the grievance is not redressed satisfactorily, the shareholder may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. Only after exhausting all available options for resolution of the grievance, if the shareholder is not satisfied with the outcome, he/she/ they can initiate dispute resolution through the Online Dispute Resolution ("ODR") Portal. Shareholders are requested to take note of the same.

To,

The Board of Directors,

### SIMRAN FARMS LIMITED

1-B, Vikas Rekha Complex, Khatiwala Tank, Indore, (M.P.) 452001

We have examined the compliance of conditions of Corporate Governance by **SIMRAN FARMS LIMITED** ('the Company'), for the **year ended 31st March, 2025**, as stipulated in Regulations 17, 17A, 18, 19, 20, 22, 23, 24, 24A, 25, 26, 26A, 27 clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and paragraphs C, D and E of Schedule V of SEBI (Listing Obligations and Disclosures Requirements) Regulations 2015, as amended from time to time ('SEBI Listing Regulations').

The compliance of conditions of Corporate Governance as stipulated under the SEBI Listing Regulations is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned SEBI Listing Regulations.

We have examined the relevant records of the Company in accordance with the Generally Accepted Auditing Standards in India, to the extent relevant, and as per the Guidance Note on Reports or Certificates for Special Purposes and Guidance Note on Certification of Corporate Governance both issued by the Institute of the Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

# INDEPENDENT AUDITOR'S REPORT ON AUDIT OF ANNUAL STANDALONE FINANCIAL STATEMENTS

TO,
THE MEMBERS OF
SIMRAN FARMS LIMITED,

### Report on the Audit of the Standalone Financial Statements

## **Opinion**

We have audited the accompanying standalone financial statements of Simran Farms Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, notes to the standalone financial statement and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

# **Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the **Auditor's Responsibilities for the Audit of the Standalone Financial Statements** section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

# **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Valuation of Inventories

Performing audit procedures to confirm inventories shall be measured at the lower of cost and net realisable value as per IndAS 2.

# The Key Audit Matter

The inventory cost comprises all costs of purchase, duties and taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.

There are complexities and manual processes

### How the matter was addressed in our audit

In addition to other audit procedures, we performed the following audit procedures: -

 We evaluated the design and implementation of selected internal controls related to the consumption of the material depending on ages of the birds and

involved in determining inventory quantity of the birds on hand and valuation of growing birds of different ages . The material , medicine and Directly related cost is apportioned to commercial chicks and Parent bird based on actual consumption of item. The Cost of Parent Bird is gradually adjusted / reduced considering the production of hatching eggs. Cost is determined on a first-in-first-out basis.

- valuation of inventories.
- Assessing the accuracy of the Company's forecasting of the future sale price of birds: by analysing the current year's trend against the previous year's sales and future demand.
- Comparative inventory analysis at the end of the year with the inventory at the beginning of the year.

### **Related Party Transactions**

Performing audit procedures to obtain assurance of compliance with related parties under Regulation 23 of the SEBI Listing Regulations and review were on an arm's length basis.

### The Key Audit Matter

The Company and its related parties operate in the same line of business. The Company has significant transactions with the related parties which affect both - the statement of profit and loss and the balance sheet

### How the matter was addressed in our audit

In addition to other audit procedures, we performed the following audit procedures: -

- Verified the identification of related party relationships, classification, and verification of transactions with related parties.
- Included a review of compliance with Section 177 and Section 185 of the Companies Act 2013.
- Reviewed that the transactions entered were approved by the Board of Directors and special resolutions passed as required.

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

# Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the

Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
  resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
  intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in a
  manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income and the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards (IND AS) specified under section 133 of the Act and rules made there under, as applicable;
  - (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - The Company does not have any pending litigations which would impact on its financial position in its standalone financial statements;
    - ii. The company did not have any long-term contracts including derivative contracts for which there were any foreseeable losses.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor

Education and Protection Fund by the Company.

- The management has represented that, to the best of its knowledge and belief, no funds have iv. (a) been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
  - The management has represented, that, to the best of its knowledge and belief, no funds (b) have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any quarantee, security or the like from or on behalf of the Ultimate Beneficiaries:
  - (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv) (a) and (iv) (b) contain any material misstatement.
- No Dividend is declared or paid by the Company during the year. ٧.
- Based on our examination, which included test checks, the company has used accounting software vi. for maintaining its book of accounts for the financial year ended March 31,2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

### **ANNEXURE "B"**

# To the Independent Auditors' Report on Standalone Financial Statements of Simran Farms Limited

(Referred to our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Simran Farms Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a for our audit opinion on the Company's internal financial controls system over financial reporting.

### MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

### INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **OPINION**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# NOTES TO ACCOUNTS TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH.2025

### 1.1 CORPORATE INFORMATION

Simran Farms Limited ("the Company") is a listed public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. Its equity shares are listed on Bombay Stock Exchange in India. The registered office of the company is located at 1-B, Vikas Rekha Complex, Khatiwala Tank, Indore, Madhya Pradesh, 452001.

The Company is engaged in the business of integrated poultry and poultry products. It is mainly focused on integration/contract farming with poultry farmers and consolidation of poultry activities and has also arranged its own manufacturing set-up for production of poultry feeds. Further, its breeding and integration farms have scientific rearing and balanced nutrition management for each bird.

### 1.2 BASIS OF PREPARATION

### **COMPLIANCE WITH IND-AS**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

### **CURRENT/NON-CURRENT CLASSIFICATION**

All assets and liabilities have been classified and disclosed as current or non-current as per the Company's normal operating cycle and other criteria set out in division II of Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current or non-current classification of assets and liabilities.

### **BASIS OF MEASUREMENT**

The financial statements have been prepared on a historical cost basis, except for the assets and liabilities that require measurement at fair value in accordance with Ind AS. The financial statements are presented in Indian Rupees and all values are rounded to the nearest lakhs (INR 00,000), except otherwise indicated.

### 1.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### a. Key accounting estimates and judgments

The preparation and presentation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses during the period.

Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Accounting estimates could change from period to period. Any revision to accounting estimates is recognized prospectively in the current and future periods, and if material, their effects are disclosed in the financial statements. Actual results could differ from the estimates. Any difference between the actual results and estimates are recognized in the period in which the results are known/materialize.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- I. Measurement of defined benefit obligations
- II. Measurement and likelihood of occurrence of contingencies

### III. Recognition of deferred tax assets

### b. Inventories

Inventories are valued at lower of cost and net realizable value (except as otherwise stated) on an item- byitem basis, as under:

Raw materials, packing materials, stores and spares: Cost of inventory comprises all costs of purchase, duties and taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition. Raw materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a first-in first-out formula.

**Work-in-progress and finished goods:** Cost includes direct materials and costs of conversion in the form of labour and a systematic allocation of fixed and variable production overheads. It also includes other costs which are incurred in bringing the inventories to their present location and condition. The allocation of fixed production overheads is based on normal capacity of production. Cost is determined on first-in first-out formula. Realizable value of pre-determined normal rate of scrap is deducted from the cost of inventories. However, cost of inventories neither includes abnormal amounts of wasted material nor any scrap realizations there from.

By products and scrap are recognized at their net realizable value.

**Stock-in-trade:** Cost includes cost of purchases, duties and taxes (other than those subsequently recoverable from authorities) and other costs which are incurred in bringing the inventories to their present location and condition. Cost is determined on a first-in first-out formula.

Parent Birds are sold as cull birds after loosing its fertility and Commercial Birds are sold after they are grown up and ready for Consumption.

**Net realizable value** is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

**Cost of agricultural produce** is deemed to be the fair value on the date of rise.

**Cost of finished goods and work-in-progress** include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

### c. Taxes

### **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except when the deferred tax asset relating to the deductible temporary difference arises from

the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India; to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

### d. Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Cost comprises of purchase price net of trade discounts and rebates, non-refundable duties and taxes, any directly attributable cost of bringing the asset to its working condition for its intended use. Cost also includes borrowing cost directly attributable to acquisition/ construction of a qualifying asset up to the date the asset is ready for its intended use. Subsequent expenditure on fixed assets is capitalized only if such expenditure results into an increase in the future benefits from such asset beyond its previously assessed standard of performance.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

Capital work-in-progress comprises the cost of property, plant and equipment that are yet not ready for their intended use at the balance sheet date. The depreciable amount of a depreciable fixed asset is allocated on a systematic basis to each accounting period over the useful life of the asset. Management's estimate of useful life, which is duly supported by technical evidence, is as stipulated in Schedule II to the Companies Act, 2013. The useful life is for the whole of the asset, except where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part ("component") is determined separately and the depreciable amount of the said component is depreciated is allocated on a systematic basis to each accounting period during the useful life of the asset.

In arriving at the depreciable amount, residual value in case of certain assets are considered to be more than 5% of the original cost, this estimate of residual value is duly supported by technical advice. Depreciation on assets acquired during the year is calculated on a pro-rata basis from the date of addition. Similarly, depreciation on assets sold, discarded, demolished or destroyed during the year is also calculated on a pro rata basis up to the date on which such asset has been sold, discarded, demolished or destroyed. Depreciable assets costing up to Rupees 5,000/- are depreciated fully in the year of acquisition. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

### e. Leases

IND-AS 116 "Leases" is mandatory for the accounting period commencing on and from 1st April 2019, and has replaced the existing IND-AS 17 relating to leases. We have applied the modified retrospective approach, for which no significant adjustments were required to be made to the retained earnings as at 1st April 2019. However, no material lease has been recognized for the year ending March 31, 2025.

### f. Employee Benefits

### Short term employee benefits

All employee benefits which fall due wholly within twelve months after the end of the period in which employee renders the related service are classified as short-term employee benefits. Undiscounted value of short term benefits such as salaries, wages, bonus and ex-gratia are recognized in the period in which the employee renders the related service.

### **Defined Contribution Plans:**

The Company's Employee's Provident Fund scheme, Employee's State Insurance Scheme and Employee's Superannuation Scheme are defined contribution plans. The Company's contribution payable under the schemes is recognized as an expense in the statement of profit and loss during the period in which the employee renders the related service.

### **Defined benefit plan Gratuity**

The Company operates a defined benefit gratuity plan, which requires contributions to be made to a separately administered fund. The defined benefit plan surplus or deficit on the balance sheet comprises the total for each of the fair value of plan assets less the present value of the defined liabilities. The cost of providing benefits under the defined benefit plan is determined based on independent actuarial valuation using the projected unit credit method. The gratuity liability is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, is based on the market yield on government securities as at the balance sheet date.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods

Past service costs are recognized in profit or loss on the earlier of

The date of the plan amendment or curtailment, and

The date that the Group recognizes related restructuring cost

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss

Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements, and Net interest expense or income.

### Other Long term employee benefit

Entitlement to annual leave is recognized when they accrue to employees. Annual leave can either be availed or en-cashed subject to a restriction on the maximum number of leaves. The liability is determined and provided during the year.

### g. Earnings Per Share

Earnings per share (EPS) is calculated by dividing the net profit for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all diluted

potential equity shares.

### h. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset maybe impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate evaluation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

### i. Provisions, Contingent Liabilities and Contingent Assets and Commitments

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

A disclosure for a contingent liability is made when there is possible obligation or a obligation that may, but probably will not require an outflow of resources embodying the economic benefits or the amount of such obligation cannot be measured reliably. When there is possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying the economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognized. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, and is recognized as an asset.

Commitments are future liabilities for contractual expenditure, classified and disclosed as estimated amount of contracts remaining to be extracted on capital account and not provided for.

### j. Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable. Amounts disclosed as revenue are net of returns, trade discount or rebates. The Company recognizes revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

### Revenue from Sale of goods

Revenues from sales of goods are recognized upon transfer of control of promised goods to customer, which are generally on dispatch of goods and the customer has accepted the products in accordance with the agreed terms. There is no continuing managerial involvement with the goods and the Company retains no effective control of goods transferred to a decree usually associated with ownership. Revenue from sales of goods is based on the price quoted in the market or price specified in the sales contracts.

### k. Other Income

Other Income is comprised primarily of interest income, Rearing charges. Interest income is recognized on accrual basis. Rearing charges are recognized when right to receive is established.

### I. Investments and other financial assets

### Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held.

### Measurement

All financial assets are recognized initially at fair value. In the case of financial assets not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset are included in the value of financial assets. Transaction costs of financial assets carried at fair value through profit or loss are charged in Statement of Profit and Loss.

### Derecognition of financial assets

A financial asset is derecognized only when

- · The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the Company has not transferred substantially all risks and rewards of ownership of financial asset, the financial asset is not derecognized. Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

### m. Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as the effective interest rate amortization process.

Amortized cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortization is included as finance cost in the statement of profit and loss.

### n. Segment Reporting

An entity shall disclose information to enable users of its financial statements to evaluate the nature and financial effects of the business activities in which it engages and the economic environments in which it operates.

Operating segments are reported in a manner consistent with the internal reporting provided to the management of the company.

The company has been primarily engaged in Poultry Breeding & Farming activities only. As such there is no identifiable operating segment, hence there is nothing to disclose under IND AS-108 'Operating Segment'.

### o. Corporate Social Responsibility

Section 135 of the Companies Act, 2013 mandates every company having minimum threshold limit of net worth, turnover or net profit as prescribed to constitute a Corporate Social Responsibility Committee of the Board, formulation of a Corporate Social Responsibility Policy that shall indicate the activities to be

undertaken by the Company as specified in Schedule VII to the Companies Act, 2013 and duly approved by the Board, fix the amount of expenditure to be incurred on the activities and monitor the CSR Policy from time to time.

In line with Companies Act, 2013 Corporate Social Responsibility is not applicable to the company for the financial year 2024-25.

### p. Financial Risk Management

Risk management framework-

The Company has in place a mechanism to inform the Board about the risk assessment and minimization procedures and periodical review to ensure that management controls risk through means of a properly defined framework. The Company has formulated and adopted Risk Management Policy to prescribe risk assessment, management, reporting and disclosure requirements of the Company.

The Company's principal financial assets include investments in equity shares, loans, trade and other receivables, and cash and cash equivalents that the Company derives directly from its operations.

### (A) Credit risk:

Trade and Other receivables:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables. The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade receivables are derived from revenue earned from customers located in India. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Credit risk on cash and cash equivalents is assessed as low risk as the Company deposits cash surpluses with financial institutions of high quality and standing.

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also

includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statement by the Directors of the Holding Company as aforesaid.

In preparing the Consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for
  expressing our opinion on whether the Company has adequate internal financial controls system in place
  and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
  on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may
  cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material
  uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the
  Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our
  conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future
  events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope

of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

The accompanying Consolidated Financial Statements include the financial statements and other information of 1 subsidiary 'Puregene Biotech Limited' which reflect total assets of Rs. 406.07 Lakhs as at 31st March,2025, total revenue of Rs. 54 Lakhs, Total net profit/(loss) after tax of Rs. 10.12 lakhs as at 31st March,2025, total comprehensive income/ loss of Rs.10.12 lakhs and net cash outflow of Rs. 1.00 Lakhs for the year ended on that date, as considered in the consolidated financial results which have been audited by us.

### **ANNEXURE "B"**

### To the Independent Auditors' Report on Consolidated Financial Statements of Simran Farms Limited

(Referred to our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated financial statements of the Holding Company as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of **Simran Farms Limited** (hereinafter referred to as "the Holding Company") and **Puregene Biotech Limited** (hereinafter referred to as "the Subsidiary Company") which have been audited by other auditor whose reports have been provided to us by the management, (the Holding Company and its subsidiary together referred to as "the Group"), as of that date.

### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective management of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide for our audit opinion on the Company's internal financial controls system over financial reporting.

### MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

### INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **OPINION**

In our opinion, the Holding Company and as per reports of its Subsidiary Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### NOTES TO ACCOUNTS TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH,2025

### 1.1 CORPORATE INFORMATION

The Consolidated Financial Statements comprises Financial Statements Simran Farms Limited (the Company) and its Subsidiary Puregene Biotech Limited (Collectively, the Group) for the year ended 31st March,2025. Simran Farms Limited ("the Company") is a listed public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. Its equity shares are listed on Bombay Stock Exchange in India. The registered office of the company is located at 1-B, Vikas Rekha Complex, Khatiwala Tank, Indore, Madhya Pradesh, 452001.

The Company is engaged in the business of integrated poultry and poultry products. It is mainly focused on integration/contract farming with poultry farmers and consolidation of poultry activities and has also arranged its own manufacturing set-up for production of poultry feeds. Further, its breeding and integration farms have scientific rearing and balanced nutrition management for each bird.

### 1.2 BASIS OF PREPARATION

### **COMPLIANCE WITH IND-AS**

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

### **CURRENT/NON-CURRENT CLASSIFICATION**

All assets and liabilities have been classified and disclosed as current or non-current as per the Company's normal operating cycle and other criteria set out in division II of Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current or non-current classification of assets and liabilities.

### **BASIS OF MEASUREMENT**

The financial statements have been prepared on a historical cost basis, except for the assets and liabilities that require measurement at fair value in accordance with Ind AS. The financial statements are presented in Indian Rupees and all values are rounded to the nearest lakhs (INR 00,000), except otherwise indicated.

### 1.3 PRINCIPLES OF CONSOLIDATION

The consolidated financial statements relate to Simran Farms Limited ("the company") and its subsidiary company. The consolidated financial statements have been prepared on the following basis:

- a. The financial statements of the company and its subsidiaries are combined on a line by line basis by adding together like terms of assets, liabilities, equity, Incomes, expenses, and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b. Profits or losses resulting from intra-group transactions that are recognized in assets, such as inventory and property, plant & equipment, are eliminated full.
- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- d. Non-controlling interest's share of profit/loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the company.
- e. Non-Controlling interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance sheet separate from liabilities and the equity of the company's shareholders.

| Name of the Subsidiary   | Proportion of Ownership Interest |
|--------------------------|----------------------------------|
| Puregene Biotech Limited | 82.71%                           |

### 1.4 OTHER SIGNIFICANT ACCOUNTING POLICIES

These are set out under "Significant Accounting Policies" as given in the Company's Standalone Financial Statements.

### 1.5 FINANCIAL RISK MANAGEMENT

### Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk primarily relates to trade and other receivables, long-term loans, cash and cash equivalents.

The Company's exposure to credit risk with regards to trade and other receivables is influenced mainly by the individual characteristics of each customer and there is no significant concentration of risk related to industry segments. The granting of credit is controlled by well-established criteria that are reviewed on a regular basis. The maximum exposure to credit risk at the reporting date is the carrying amount of each trade receivable.

The credit policy requires each new customer to be analyzed individually for credit worthiness before delivery and payment terms are offered.

Other receivables consist primarily of security deposits, loans to employees and other receivables. The risk of default is assessed as low.

The credit risk surrounding loans receivable is assessed as low risk.

Credit risk on cash and cash equivalents is assessed as low risk as the Company deposits cash surpluses with financial institutions of high quality and standing.

### Liquidity Risk

The Company actively monitors its cash flows to ensure there is sufficient cash available to meet its working capital requirements. Due to the dynamic nature of the underlying businesses, the Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's cash and cash equivalents on the basis of expected cash flow.

The Company's current trade and other payables are all due within one year.

The table below summarizes the maturity profile of the Company's financial liabilities as at 31 March 2025 based on contractual undiscounted payments.

### Market Risk

### Interest Rate Risk

The Company is exposed to interest rate risk on its cash and cash equivalents, long-term loans and borrowings, which can have an impact on the cash flows of these instruments. The exposure to interest rate risk is managed through the Company's Board by using counterparties that offers the best rates which enables the Company to maximize returns whilst minimizing risk.
